My approach: **Combine the power** and stability of the **Swiss mountains** with the Spanish generosity and joie de vivre.

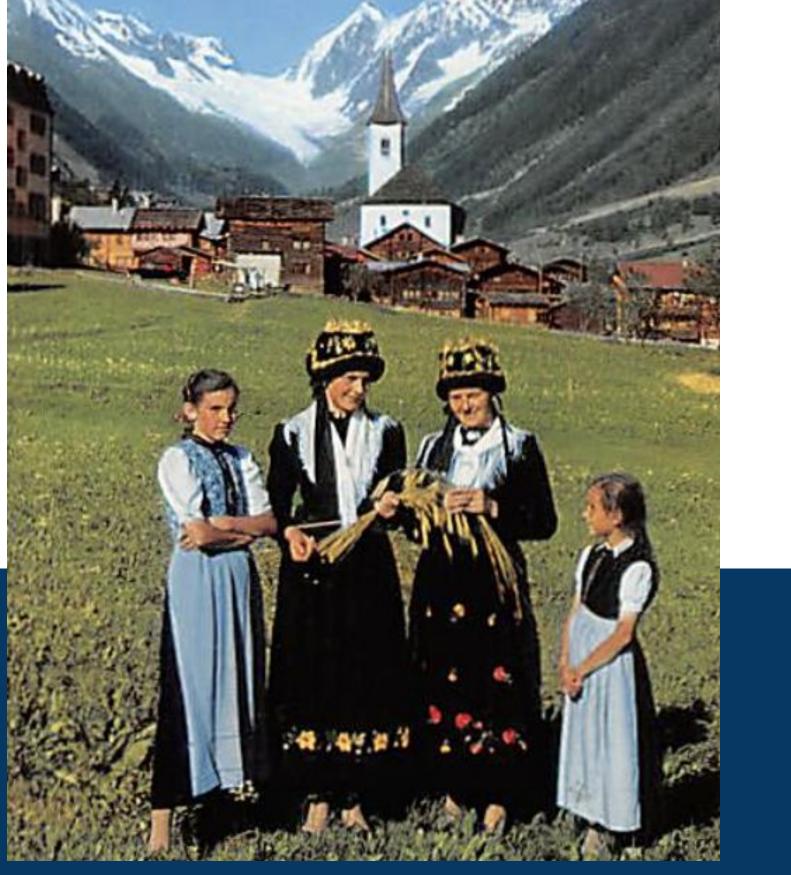

A valley full of history and tradition Lötschental Switzerland

Cultural Treasures

The rich traditions of the Lötschental Valley passed down from generation to generation, these customs reflect the deep-rooted connection of the residents with their homeland.

RITTERSCHLAG VON RE

The travel guide Lonely Planet recommends Valais as a travel destination for tourists in the coming year.

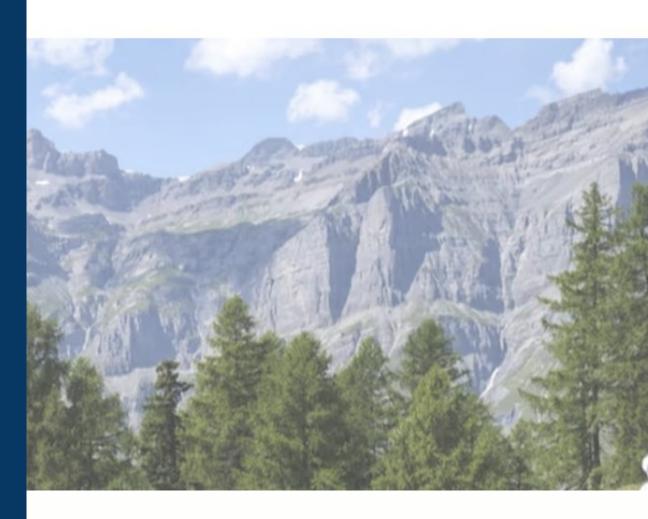

Warum das Wallis gerade jetzt zur Weltspitze aufsteigt

In der Schweiz kennen wir die Sonnenseiten des Wallis nur zu gut. Nun kommt der Kanton ins ganz grosse internationale Schaufenster.
